### From David's Desk:

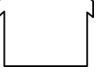

**This is Transfiguration Sunday. It is traditionally the Sunday that we celebrate the event when Jesus took a few of His disciples onto a high mountain and was transformed and recognized by God, the Father, as God's own Son. This was the second time such an event took place in the life of Jesus. First at His baptism and here on the Mount of Transfiguration.**

**This transfiguration event is important because it reminds us that all who believe in Jesus Christ as our Lord and Savior are transformed into His likeness.**

**Even the Church as a community can be transformed into what God wants us to be! Now is the time and the time is now! God can and will transform this church from the little church on the corner to a bright beacon of God's love and grace sharing the message of the love of God to all who we see. Let us pray that God will lead us into the way of ministry that he has in mind for us. We are starting to build momentum and now let us pray and then be moved by our prayers into action for the spreading of the Gospel for the transformation of the World. Praise be to God!  
In the Grip of God's Grace,  
Pastor David+**
