From David’s Desk:

Today we recognize our Nonagenarians. We call it Senior Recognition Sunday celebrating their many years of Christian Service. But the rest of the Church is celebrating Trinity Sunday.

The word "trinity" is a term used to denote the Christian doctrine that God exists as a unity of three distinct persons: Father, Son, and Holy Spirit. Each of the persons is distinct from the other yet identical in essence. In other words, each is fully divine in nature, but each is not the totality of the other persons of the Trinity. Each has a will, loves, and says, "I" and "You" when speaking. The Father is not the same person as the Son, who is not the same person as the Holy Spirit, and who is not the same person as the Father. Each is divine, yet there are not three gods but one God. There are three individual subsistences or persons. The word "subsistence" means something that has a real existence. The word "person" denotes individuality and self-awareness. The Trinity is three of these though the latter term has become the dominant one used to describe the individual aspects of God known as the Father, the Son, and the Holy Spirit. There are three distinct elements in our doctrine of the Trinity:

1. God is three persons.
2. Each of these persons is divine.
3. There is only one God.

Let us give thanks for this expression of God’s grace for us.

In the Grip of God’s Grace,
Pastor David
