	<i>As a green bud in the springtime is a sign of life renewed, So may we be signs of oneness ‘mid earth’s peoples many hued. As a rainbow lights the heavens when a storm is past and gone, May our lives reflect the radiance of God’s new and glorious dawn.</i>	

From David’s Desk:

I am considering having our Bible Study group look at Thomas Rainer’s Book, I Am A Church Member! I think it would benefit all of us to read this book and consider how we function and operate as members of the Body of Christ. How do you think about being a member of the Body of Christ? What comes first in your mind when you think about the church? Is it the building? Is it homecoming? Is it the love of God? Is it the institution?

I think we all need to rethink this, including myself. Let me just list the titles of the chapters and see if they strike a cord with you: “I will be a unifying church member; I will not let the church be about my preferences and desires; I will pray for my church leaders; I will lead my family to be healthy church members; I will be a functioning member; I will treasure church membership as a gift.

Let us ponder these things as we celebrate World Wide Communion today remembering the sacrifice Jesus made in order to be our Savior...

In the grip of His grace,
Pastor David+
